The underline on the hover and active state of the navigation bar links is purple.

For a clean and minimal layout, the site will maintain a white background, giving the focus to the imagery on each page.

The font colour of all text is black.*

The colour of the site logo is black and it changes to purple on hover.

The colour of the social media icons are white and they change to grey on hover.

*On mobile screens, the hamburger menu has a purple background with all text and links in white.
